

Nationals FFC partners with SYZMIK SPORTS prioritizing athlete safety and performance for its youth flag football club

Frisco, TX (March 24, 2025) – Today, Nationals Flag Football Club (FFC), announced their partnership with SYZMIK SPORTS, a company revolutionizing head protection for all athletes.

SYZMIK SPORTS has made a significant investment in material science and design to develop headgear specifically for flag football. Each year flag football is seeing the level of competition increase amongst teams, along with athletes getting bigger, faster and stronger. It's inevitable that in the heat of competition the element of risk for potential head impacts and incidental contact increases.

“We chose to partner with SYZMIK SPORTS because they are the leaders in ‘head health’ for player performance and safety,” noted Monty Holloway, President Nationals FFC. *“We encourage all our athletes to wear SYZMIK X7C headgear during practice and competition, because enhancing the safety of our athletes is the most important aspect of flag football. At Nationals FFC, we strive to always be at the forefront of safety and technology, focused on elevating the benchmark for athlete safety as a core component of our business and training philosophy.”*

Nationals FFC recommends their club athletes wear the SYZMIK X7C Protective Headband during practice and competition, the product is offered at a reduced cost to committed athletes. SYZMIK's X7C Protective Headband is already hugely popular with thousands of athletes around the world choosing to wear it. The X7C is worn by Team USA athletes, many National Team players, and leading organizations/leagues across the country.

Nationals FFC and SYZMIK SPORTS will continue to partner on safety and product offering initiatives focused on the safety of all flag football athletes.

Nationals FFC is a premier competitive youth flag football club with elite coaches, trainers, and state-of-the-art facilities. Our training philosophy integrates advanced sports performance training, cultivating well-rounded athletes with an advanced understanding of flag football strategies.

Nationals FFC is committed to setting new benchmarks in athlete development and youth sports management, ensuring our players are well-prepared for the evolving landscape of competitive flag football. www.nationalsffc.com

SYZMIK SPORTS is redefining athlete safety with industry-leading protective gear for athletes at every level of the game. With a significant investment in R&D, SYZMIK Headgear is exclusively designed for the game of Flag Football and is 5-Star rated on Virginia Tech's Laboratory Safety Ratings. Some of the top flag players in the world (Team USA, Team Mexico) have chosen to wear the X7C as well as many Flag Football Collegiate teams.
